**WHY ARE YOU APPLYING TO THE  
UNIVERSITY OF VICTORIA VISUAL ARTS  
DEPARTMENT?**

I attended Camosun College for the Visual Arts Program from 2018 to 2020. After a two year break due to Covid-19 I want to complete my education at University of Victoria. I want to continue to grow my knowledge of visual arts and continue challenging myself so that I can become a better artist and expand my knowledge.

**PLEASE COMMENT ON YOUR  
ACTIVITIES, SPECIAL SKILLS AND OTHER  
ABILITIES THAT MIGHT RELATE TO  
YOUR STUDIES IN VISUAL ARTS AND  
OTHER DISCIPLINES AT UVIC.**

After completing the Visual Arts Program at Camosun College I have continued to immerse myself in the arts. I have worked with artists and businesses on Vancouver Island creating customized promotional work. I worked on projects with the Tofino Art Council including publishing a Pandemic Alphabet book under the councils My First Pandemic Project and was featured in the Gust Of Wind Project.

pected as a professional artist. Learning many different mediums such as painting, photography and sculpture as well as curatorial skills and setting up our own art shows. I presently work in a local art gallery curating the space.

**PLEASE COMMENT ON YOUR ARTISTIC GOALS AND YOUR EXPECTATIONS OF THE VISUAL ARTS PROGRAM.**

---

I hope to work in a contemporary art gallery once I have completed my degree in Visual Arts. Working with new upcoming artists and curating their works in a gallery. My expectation of the Visual Arts program is that it will be an intense fast passed program but will be rewarding with lots of knowledge and experience.
