

# Our Place Volunteer The Final Edition

Number 73 - September 1, 2012 Our Place Society, 919 Pandora Ave, Victoria, BC V8V 3P4 Bruce More, Editor

After 72 months, this newsletter is publishing its last issue. Since the Our Place Volunteer newsletter began, the Our Place Society has developed its own quarterly newsletter, and having a single newsletter is deemed to be more efficient. The volunteers will continue to be served by the Our Place website, e-mail communications and Facebook page.

The Volunteer newsletter was first put out in February of 2006 by its present Editor Bruce More at the suggestion of the volunteer coordinator at the time, Bob Frank. For 6 years, it has presented event announcements, guidelines for volunteers, and profiles of the members of the Our Place family, plus welcomes to new and farewells to departing staff. Its colourful pages also included a wealth of articles, quotations, photographs and cartoons from a wide variety of internet sources. Bruce More will join the editorial staff of the quarterly newsletter.
