# Celebrating 50 years of sparking the musical imagination!

## WELCOME

This year the School of Music celebrates its 50<sup>th</sup> anniversary. With an international reputation, we're recognized as one of Canada's foremost musical institutions, and we welcome you to join us for an extraordinary season of concerts and events.

Many presentations, featuring artists like violinist James Ehnes, vocalist Tanya Tagaq, and our own alumni, are free of charge. Israeli contralto Noa Frenkel will perform Gustav Mahler's masterpiece *Das Lied von der Erde* on October 27; maestro Timothy Vernon will conduct the UVic Chorus & Orchestra in a gala concert on December 2. The first weekend in February sees the New Music Festival, with electronic music pioneer Suzanne Ciani as special guest. The week after, folk/country duo Twin Kennedy, both alumna and now in Nashville, play Felicita's pub!

For 50 years, the School of music has been a vital musical and creative force in British Columbia and Canada. I look forward to your support throughout this auspicious year!

Christopher Butterfield  
Director, School of Music
